

HOW TO FIND RIVER BEND CARAVAN PARK 22km east of Echuca

1. Find the large water tower in Echuca at intersection of Pakenham St & High St (Northern Hwy.). It can be seen from most parts of town
2. Drive along Pakenham St toward the river - crossing the railway line on the way
3. Stay on the bitumen by veering right at the signposts into Goulburn Road and travel 10 km to the Stewart's Bridge and Cape Horn winery signs.
4. Where the bitumen ends, turn left at the Stewart's Bridge & Cape Horn vineyard signs and cross Stewart's Bridge over the Goulburn River. The rest of the trip is on gravel road.
5. Travel another 10.5km and turn right onto a well-travelled track at a white vertical post engraved 'River Bend' and a Give Way sign.
